

Norsk Vekst Equity Partners AS has changed its name to:

Norvestor Equity AS (“Norvestor”)

The change of name reflects both the company’s pan-Nordic investment strategy and its international investor base. The new name also emphasises our location in Northern Europe and our focus on more mature companies.

Many significant events have taken place over the last year. The team has completed three new investments in Norvestor’s core sectors, has achieved two cash realisations, and has also listed three investments on the Oslo Stock Exchange. In addition, the company has raised a new fund and has appointed five new employees.

We are also pleased to announce the opening of a new office in Stockholm. Although Norvestor’s base will remain in Norway, we believe the international presence will allow the firm to enhance its successful track record in creating pan-Nordic companies.

Please note that as a result of the name change the format of the e-mail addresses have now changed as follows: forename.surname@norvestor.com.
